English cuisine - Wikipedia
English cookery has developed over many centuries since at least the time of The Forme of Cury, written in the Middle Ages around 1390 in the reign of King Richard II. The book offers imaginative and sophisticated recipes, with spicy sweet and sour sauces thickened with bread or quantities of almonds boiled, peeled, dried and ground, and often served in pastry.

Anne of Kiev - Wikipedia
Anne of Kiev or Anna Yaroslavna (c. 1030 – 1075) was a Rus’ princess who became queen of France in 1051 upon marrying King Henry I. She ruled the kingdom as regent during the minority of their son Philip I from Henry’s death in 1060 until her controversial marriage to Count Ralph IV of Valois. Anne founded the Abbey of St. Vincent at Senlis.

18 Examples of Cultural Heritage - Simplicable
06/08/2019 · Architecture Architecture is a major component of cultural heritage because buildings and other structures can survive for hundreds, and in some cases, thousands of years. Architectural styles vary widely by region and change a little with each passing decade. As such, architecture is often representative of a time and place.

World Government (Stanford Encyclopedia of Philosophy)
04/12/2006 · It would perhaps do more harm in the moment than it would guard against for ages. (1756 [1917: 112]) This consequentialist objection to the idea of world government speculates that even if it were desirable, the process of creating a world government may produce more harm than good; the necessary evils committed on the road to establishing a world government …

How Christianity Influenced The Roman Empire
Consequently, this was prepared by the guild and the corporate structure of the middle ages. In view of this seems a priori likely that Christian preaching took advantage of a collegiate organization to be the most convenient tool, and that the board was the prototype of the Christian community, with whom it had a lot in common, this conclusion is so natural that only a weighty …

What Makes Up Your Identity? - Ben Casnocha
12/02/2007 · I have spent over half my life outside the US, but I was in the US between the ages of 9 and 20. If I’d spent ages 1-8 in the US and 9-20 in Asia, would I have felt as American as I do today? Then again, I meet some Japanese people who lived in the States when they were very young (like between 1 and 10) and who say they have a hard time identifying with Japanese …
